Hi Debbie.

I've executed the surrender form at your request. The form is included with this fax.

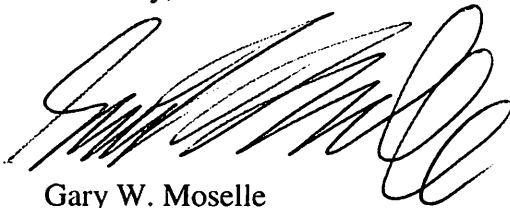

Under paragraph 6 of my DEGM agreement, I have the right to surrender my membership at any time and to have the Club make a payment on reissuance. I surrendered my membership in writing on October 18, 2010 and did not request payment on reissuance.

If DMP will send an invoice for membership through the surrender date, October 18, 2010, I'll pay that invoice promptly.

I will not pay any charges that reflect membership in the DMC after that date.

Please remove my name from all DM lists. This is my third request.

Sincerely,

A handwritten signature in black ink, appearing to read 'Gary W. Moselle', written in a cursive style.
